CAMERON, MILAM COUNTY, TEXAS, THURSDAY, SEPTEMBER 22, 1949

NUMBER 23

CITY MUST FURNISH 36 RIGHT OF WAY

LUTHER G. ROBERTS IS SHOT VICTIM

LIFE RESIDENT HERE
SUCCUMBS WEDNESDAY

Luther G. Roberts, 70, widely known citizen and native of Milam county, died at 5:30 a. m. Wednesday, September 21 in St. Edwards Hospital, from a gunshot wound in the head.

Mr. Roberts was found on the steps of his home on North Houston Street shortly after 11 a. m. Tuesday, suffering from a gunshot wound. Near him was a 45 calibre Colt revolver. A neighbor, Mrs. J. L. Willis, found Mr. Roberts and summoned an ambulance. Mrs. Roberts was down town at the time.

At the hospital late Tuesday physicians gave Mr. Roberts a good chance to survive the wound. His condition became more critical late in the evening and death came early Wednesday morning.

Mr. Roberts was a former city marshal in Cameron, serving two years, being elected in April of 1932.

Mr. Roberts was a native of Milam county and had lived in Cameron practically all his life. He was born at Yarrington on January 5, 1879 and came to Cameron with his parents when a very small child. He was the son of the late Green Berry and Virginia Roberts, early day settlers and natives of Alabama.

Mr. Roberts grew up in the pioneer atmosphere of Milam county, knew well all the history made in the stirring days in Cameron. He was a part of the development here, a farmer and stockman, and at one time was associated with the B. J. Baskin & Sons operations along Little River, then the largest farming operators in the county.

During recent years he had been ill, suffering from an incurable bone ailment. For the past few years he had lived quietly at his brick home on North Houston Avenue, seldom being able to visit the business area.

He was a brother of Mrs. A. H. Baskin, Sr., of Cameron.

Surviving are his widow, Mrs. Corine Roberts, of Cameron, and two sons, Vernon Roberts of Dallas, widely known insurance company owner; Alvin Roberts of Vernon, Texas; and one daughter, Mrs. P. W. Davis of Cameron. Five sisters survive as follows: Mrs. A. H. Baskin, Sr., of Cameron; Mrs. John Coleman, Fort Worth; Mrs. Tom Hardin of Childress; Dr. Lilly Roberts of Fort Worth and Mrs. Sue Stoneman of Dallas. Two grand children, Harold and Lynn Roberts, also survive.

Funeral services were to be held at 4:30 p. m. Wednesday, September 21, by Rev. R. L. Lemons, Pastor First Methodist Church, at the chapel of the Marek-Burns Funeral Home, with interment in Oak Hill Cemetery.

Pallbearers were: Bill Richter, Joe Richter, Frank Monroe, W. S. Lamkin, N. L. Caperton, Conn Moody, Ted Kuehl and Will Vaughan.

PARISH PLANS BAZAAR AND PICNIC PROGRAM

Annual fall picnic and bazaar at SS. Cyril and Methodius church at Marak, will be held on Sunday, September 25, it is announced by Father Ben Holub.

These annual picnics and bazaar are top entertainment events eagerly awaited by the people of the Marak community as well as Cameron and other communities in the county and nearby counties.

The program according to Father Holub will begin with Mass at 9:30 a. m. and dinner will be served from 11 a. m. to 1 p. m. Supper will be served from 5 to 8 p. m.

There will be plenty of sausage and fried chicken, kolaches, cakes, etc. There will be games also and other attractions which feature these picnics. Music throughout the day and night will be furnished by the Granger Brass Band.

The Marak Community, long famous for its hospitality, extends a cordial invitation to all the people everywhere to come and enjoy this program on Sunday, September 25.

CITY MAKES FINANCIAL STATEMENT

PORTER CARSWELL

Georgia Rotarian To Speak At Waco Forum On September 29

Cameron Rotarians will be interested in the announcement that Porter Carswell of Waynesboro, Georgia, will speak at the Inter-City Rotary Forum in Waco on Thursday, September 29.

L. W. Smith, President of the Cameron Rotary Club, has received a communication from Nelson Hawkins of Itasca, District Governor, announcing the Waco meeting.

Carswell is one of the leading Rotarians in the International organization. The program in Waco will be an educational one for Rotary leaders and to make those responsible for success of Rotary in the local clubs, better informed on the whole program of Rotary.

Burkes-Howard Co., Big Family Party Here October 1st

The best entertainment news of the year for many in this area is the announcement for Burkes-Howard Company that their big Free Family Party will be held in Cameron on Saturday night, October 1.

The show with artists on the stage in person will be held in the auditorium at the Yoe High School beginning at 8 p. m.

Featured on this free show are Roberta and Mack, in comedy at its best; Helen Harper, popular dance stylist, Lennie Russell, young master of ceremonies and Bob Sharp, in magic with laughs.

Burkes-Howard Company, International Harvester dealers, make the invitation broad. Come and bring your family. It is all free and no sales talks, just fun and entertainment, music, magic, comedy and specialties.

These Family Night Shows have been widely attended and this one will be no exception.

Stores Here Asked To Release Help For Cotton Harvest

An urgent appeal has been made to merchants in Cameron to assist in relieving the serious shortage of cotton pickers in this area. The Chamber of Commerce is requesting that all merchants allow employees desiring to do so, to go to the cotton fields and help gather the crop.

Anyone employing persons who wish to gather the cotton is requested to relieve them and conduct business with a skeleton crew, with the understanding that the employees will have their job back when the cotton is harvested.

Some firms have expressed their desire to cooperate in a program of this type, feeling that it is a city duty to assist in gathering the cotton while there is a shortage of migratory laborers.

If all firms will unite and cooperate in this program, some relief would be given to cotton growers in the Cameron trade territory. This appeal is the result of a serious shortage of cotton pickers.

STAFFORD PREPARES FINANCE DETAILS

(From the Daily)

The Weekly Herald will publish Thursday, September 22 a complete and revealing financial statement of the city of Cameron, prepared by W. H. Stafford, Secretary.

The statement is the first to be issued by the government in several years and will be welcome information to the tax payers and people generally over the city.

Mr. Stafford has done a fine job. This statement is issued in a style that all may understand, each department of the city being detailed showing all receipts and disbursements as well as balances.

One encouraging aspect of the city's fiscal health is that it had a balance of \$7,029.97 in the general fund at the beginning of the year March 31, 1949. The statement covers the period from April 1, 1948 to March 31, 1949. At the beginning of the year for which an accounting to the people is made the city had a deficit or an overdraft of \$2,053.80 and the end of the year condition in the general fund represented a recovering of some nine thousand dollars.

In issuing this statement Mr. Stafford has made it possible for everyone to read it in straight ahead fashion, without difficulties of search and comparison on balances, for each fund is set out in very concise form. What's more Mr. Stafford has made a separate table of the tax levy. Not too encouraging is the levy of \$1.21 in the general fund. The tax rate for the year was \$2.35 which included a 75c maintenance tax for schools. Actually the city tax payer is paying very little for improvements. A total of \$1.96 goes for maintenance of city and school and only 39c for all improvements. To emphasize the small share the city gets for improvements of a permanent type, only 18c is necessary. The city's bonded debt is so low it is no more than an average business firm would owe. What bonded debts exist, are for school buildings, in the main.

The city had available for running its business, aside from bonded debt, a total of \$62,671.33. As has been the case for years, the street department, maintenance only, and salaries cost the tax payers about 55 per cent of the total paid in for general fund purposes. The city's salary bill was \$16,556.32 and the streets cost \$18,551.03. Of this latter sum over \$11,000 was for labor.

The city was not benefitting from its airport, in fact showed a loss, mainly because it had to absorb a bad check given by the leasing company in the amount of \$158.93. The fund still has \$2832.08 but this will be wiped out unless the \$25,000 investment can be made to pay.

On the whole the operating funds show balances. Sinking funds must of course, show balances, their operation being so ordained. Mr. Stafford has given the people a true and correct picture of the city's financial condition and deserves praise.

Cameron May Gin 6000 Bales Cotton

Cameron cotton gins were busy. An estimate is that the city gins may turn out around 6000 bales or more this season.

It was estimated that the crop is about 50 per cent harvested and Cameron gins, it was believed, had already ginned some 3000 bales or more.

Estimates here Tuesday were that the county would get 30,000 bales. That would be a big increase over the 1948 crop.

Mr. and Mrs. Smith Barrett of Yarrington are the happy parents of a seven pound boy born at St. Edwards Hospital. The baby has been named, David Franklin.

Dallas Negro Fined \$300 and 6 Months In Jail For Crashing Car

Joe Dell Robinson, Dallas negro, was fined \$300 and given 6 months in the county jail here Tuesday by Judge Dan Tyson, after he had entered a plea of guilty to crashing an automobile at the intersection of Highways 36 and 77 east of the River.

August Halberdier who lives on the Minerva road, was returning to his work with the Maysfield Mercantile Company. According to officers and statement by Mr. Halberdier to the court, the negro was traveling in the same direction. As the cars approached the intersection the negro's car crashed into Mr. Halberdier's car and threw it into a ditch. Mr. Halberdier was injured.

Mr. Halberdier said he was proceeding at about 25 miles per hour when the crash occurred. It was said by officers that the negro's car was being driven at a much more rapid speed than the Halberdier car.

Precautions call for slow speed at this spot on the highway since two traffic lanes converge here. Mr. Halberdier heard the negro's car approaching. The negro applied his brakes violently but could not arrest the speed of his car in time to avoid crashing the rear of the other machine.

Judge Tyson in meting out the penalty, evidenced an increasing official rebuke to traffic accidents. While the negro was driving the car without a license, he was not drunk. Recent increases here in drunk driving offenses were causing officials no little concern. If stiff penalties are inflicted in the future, they would be wholly justified in view of the great danger of life and property on the highways.

Jack Higginbotham, state highway patrolman, investigated the crash and testified before the court regarding the facts in the case.

Richard Dix, Movie Hero, Dead From Heart Attack

HOLLYWOOD, Sept. 20—Richard Dix, who spanned the shift from silent films to talkies with rare success, died today of heart trouble. He was 54.

An outdoor type who laid his popularity to virile portrayals of what the average man would like to be—Dix was in pictures for more than a quarter of a century.

Unlike many of his colleagues in the palmy days before high income taxes, Dix saved his money. His late years were spent on a luxurious ranch in Topanga canyon—where he refused to have a telephone—with his wife, the former actress Virginia Webster, and their three children, twins Richard and Robert, 13, and daughter Sue, 9.

Former Cameron Man Injured in Crash of Cars Near Beaumont

Lloyd R. Fuller, former Cameron resident, was seriously injured in a car crash on the Beaumont-Port Arthur highway Monday afternoon. Mr. Fuller lives at Nederland.

Mr. Fuller is the son of Mr. and Mrs. J. M. Fuller of North Elm and brother of J. P. Fuller and John Fuller of Cameron. He suffered a compound fracture of the right leg.

Highway patrolmen reported that a car driven by H. J. Reich and occupied by W. E. Paulus, crashed into the car of Mr. Fuller on a curve near Beaumont. The condition of Mr. Reich was said to be critical. Mr. Fuller's car was said to have skidded on a wet pavement as the Reich car approached. Paulus received back and neck injuries.

Mr. and Mrs. Joe Luce visited in Austin over the week end.

VICTOR R. SCHMIDT FUNERAL IN AUSTIN

(From the Daily)

Victor R. Schmidt, 62 year old resident engineer for the State Highway Department who died from a heart attack in St. Edwards Hospital in Cameron at 7 a. m. Friday morning, will be buried in Austin.

Funeral services will be held from St. Mary's Cathedral, Catholic, in Austin at 3 p. m. Sunday, September 18 by Father Andrew Mulreany with interment in Mount Cavalry Cemetery. The body was at the Marek-Burns Funeral Home in Cameron until its removal to Austin Saturday.

Mr. Schmidt had been a resident of Cameron for the past 4 years and had supervised construction of some eight bridges in the county for the highway department.

Surviving are his widow and one daughter, Eleanor Schmidt who reside in Cameron; two daughters residing in Austin and Raymondville as follows: Mrs. Ed Tomsu and Mrs. A. F. McCormick; two sons, Victor Schmidt with the Water Department in Austin and A. E. Schmidt with the Highway Department in Dallas. Two brothers and two sisters also survive and live in Austin.

ABNER CHARLES BRADY DIED HERE TUESDAY

Abner Charles Brady, 72, native Texan, died at the home of his son, Charles Brady, at 10:30 p. m. September 20.

Mr. Brady recently sustained injuries in a fall and had been confined to the home with a fractured hip, for sometime.

Mr. Brady was born in Austin on March 26, 1878 and was a retired carpenter and contractor. His father, the late Carl Brady and also his mother were natives of Sweden and were among the early day pioneers to settle in the Georgetown and Austin areas.

Funeral services were to be held at 4:00 p. m. Wednesday, September 21 from the Frederick Funeral Home in Georgetown with interment in the cemetery there.

Surviving are the following: Five sons, Charles Brady of Cameron; Lawrence Brady of Hearne; Swanty Brady of Palestine; Wiley Brady of Austin; and David Ford Brady of Port Arthur; six grand children; four brothers Joe Brady of Georgetown; David Brady of Dallas; Bert Brady of Seymour and John Brady of Ohio; two sisters, Mrs. Emil Munson and Mrs. Mabel Carlson both of Georgetown.

Telephone Man Is Charged In Shooting Into Rosebud Home

John Roper, manager of the Roper telephone exchange in Rosebud, has been charged with burglary as the result of his detection by officers in Falls county for firing pistol bullets into the home of Mayor Whellis in Rosebud Wednesday night.

Roper was arrested by Sheriff Brady Pamplin and after a grilling led the officers to a telephone pole on the Rosebud-Temple Highway where he had hidden a revolver.

It was developed that Roper's telephone exchange had been under pressure from the city of Rosebud for improvements and belief was expressed this led to reprisals against the Mayor.

CITY MARSHAL ILL

Friends will regret to learn that Jim McGoldrick, City Marshal is ill and is a patient at St. Edwards Hospital. He is reported to be improving and hopes to return to his home in the next few days.

CAMERON MUST GET 36 RIGHT OF WAY

Cameron must furnish right of way for Highway 36 from North Crockett Street west to Orchard street and the western city limits, under the proposed route by the State Highway Department.

Confronted at last with progress of the most beneficial kind, the city may now be brought face to face with the consequences of its fiscal policy through the years.

All this means that the city has no money. It has spent its money without planning for just such developments as highways and streets. But there was a silver lining to the cloud. The State Highway Department will build and maintain many blocks of paving and through a section of the city that needs improvements badly.

So far there has been no formal survey of the route, just a proposed route, but it was believed the survey will be made soon and formal request will be made for this right of way.

The city of Cameron and its people will pay heavily for another policy that has plagued it for years, permitting people to close up streets and alleys and to build homes and buildings in those streets and alleys.

Recently Rosebud voted \$25,000 in bonds to assure right of way for Highway 77 through the city. Cameron may have to do the same. The alternative would be to stop the highway from coming through the city by refusing to get the right of way. Those who argue that the highway should go around the city run up against the fact that it must come through the city for there is only one bridge across Little River and only one underpass of the Santa Fe.

One of the big complaints here has been lack of highway traffic. Now that the Highway Department has agreed to build highways, the least Cameron can do is to go ahead and provide any right of way necessary, regardless of the cost. The situation is going to call for city council action quickly.

ESTIMATES HERE PLACE BENEFITS VERY HIGH

How much money will come to Milam county veterans in refunds on insurance premiums to be paid by the government?

In the absence of a nose to nose count on the number of men who served in the late war, it is pretty much anybody's guess on how much money will come in.

This newspaper estimated Tuesday that the benefits might run as high as a million dollars, all depending on the accuracy of figures.

The maximum amount will be \$528.00. If the average refund in Milam county is \$400 and there were 3000 veterans who paid premiums the amount would be well over a million. Scaling down the estimates to a lower average it appeared that veterans might net around a million dollars by January.

Carl R. Gray, Jr., Administrator of Veterans Affairs, today made public the first Veterans Administration calculations on amounts proposed to be paid nearly 16,000,000 veterans in the \$2.8 billion special National Service Life Insurance Dividend.

Maximum possible amount that any veteran can receive will be \$528. Other payments, based on age groups will run to lesser sums. The dividend will be paid on both term and converted insurance policies, and will be (turn to page twelve)

10 Million Vets Apply For Refund

WASHINGTON, Sept. 20 — More than 10,000,000 World War II veterans have applied for the special life insurance dividend to be paid next year, the veterans administration said today.

The applications, available at all post offices and veterans' centers, still are coming in at the rate of about 200,000 a day, the agency said.

About 16,000,000 veterans will share in the \$2,800,000,000 payment which is scheduled to start in January.

INDIANA JURIST GETS TRUMAN NOD TO-DAY

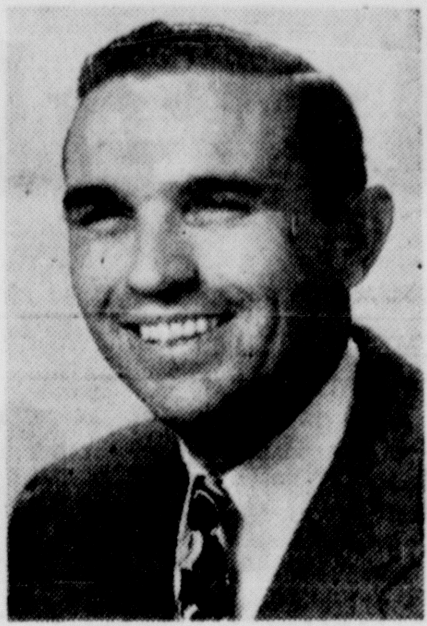

Judge Sherman Minton of Indiana was nominated Thursday by President Truman to the United States Supreme Court to succeed the late Judge Wiley Rutledge.

Judge Minton, 68 years old, was at one time a member of the United States Senate, serving as a colleague with Mr. Truman who was then representing Missouri.

The announcement came with some surprise to those in the know in Washington. They guessed that the President would name Attorney General McArthur to the place.

Judge Minton was at one time a resident in Texas. In his young days he was associated with Swift & Company, packing plant in Fort Worth. He was known in baseball and will be remembered in exhibition games with the old Fort Worth Cats.

Judge Minton is a so called new dealer, having fought for the liberal policies of the late President Roosevelt and has been a consistent advocate of younger men on the Supreme bench.

HARVEY LEE PRICE

Harvey Lee Price Is Named Scout Executive For Heart O' Texas

Harvey Lee Price, 35-year-old Scout leader, who for the past 12 years has been employed by the Circle 10 Council, with headquarters in Dallas, will assume duties as Scout Executive of the Heart o' Texas Council on or before Oct. 1, it was announced Tuesday.

For the past several years Price has been administrative assistant to the Circle 10 executive, and in that capacity has had full responsibility for management of that council's large professional staff.

For several years he had complete responsibility for the camping program of the Circle 10 Council, and helped with development of the Scout camp located on Possum Kingdom Lake. His experience in Scout leadership also includes training, advancement and finance.

The new Scout executive is a member of the Methodist Church, Exchange Club, Beta Theta Pi Alumni, and the Junior Chamber of Commerce. He is a past president of the Southwestern Branch of the American Camping Association. He is married and has a son, 9, who has just joined a Cub pack.

Price, a native of Indiana, joined Scouting as a Lone Scout when a farm boy. He earned the Eagle Badge and later served as Scoutmaster. At the time he was employed by Circle 10 Council in 1937 the Council had only two field executives. It was because of Price's initiative and ability as a field executive in charge of half of the Council's 16-county area, that he was assigned to work in Dallas headquarters as Assistant Scout Executive, first of his numerous assignments.

Price is now attempting to locate a residence in Waco.

RETURNED TO ORPHANS HOME

William Horton, 15, was being returned to the State Orphans Home in Corsicana to-day. He left the home and came to visit his brother Bill Horton at Maysfield. He said he was tired of the home and going to school and left without permission. E. L. Massengale, Constable at Maysfield, brought the boy to Cameron to await authorities from Corsicana.

Mrs. Bill Sheekles of Houston visited her sister, Mrs. Ernest Rutherford and family over the week end.

SUPERVISOR WELFARE WORK KILLED FRIDAY

Mrs. Harriet Lane Heath, 38, Supervisor for the Department of Public Welfare for Milam and Robertson counties, was killed instantly around 10:30 a. m. Friday on Highway 190 near Walkers Creek when her car approached a bridge, went out of control on the wet pavement and crashed into a ditch.

Mrs. Heath was on her way to Franklin from her headquarters in Cameron, in connection with her duties as supervisor for the Welfare Department. She was alone at the time of the accident. Her body was picked up shortly after the fatal accident by an ambulance from the Green Funeral Home.

Dr. David Shapiro was called to the scene of the wreck and after an examination of the body, said that death was instantaneous and caused by head injuries.

Following news of the crash and death of Mrs. Heath, it was recalled by members of the staff at the Welfare Office in Cameron, that she had suffered an injury around 8:15 a. m. this morning while on her way with friends to breakfast at the Milam Coffee Shop. Mrs. Heath stepped into a depression on the sidewalk, turned her ankle slightly and fell to the pavement. Her head, it was said, struck the cement walk and she may have suffered a slight concussion. Her left leg was badly bruised in the fall. When she left the office to go to Franklin she told Avis White and Dorothy Johnson that she felt a dizziness, but got in her car and started to Franklin. A few minutes later she lay dead on the highway near Silver City.

Her body was thrown clear of the car. The machine was said to have been completely wrecked. The body was at the Green Funeral Home in Cameron.

Sheriff Carl C. Black, on his way to Cameron, met Mrs. Heath at Elm

Creek on Highway 190, shortly before 10:30 a. m. On reaching the city he learned of the accident and returned. Sheriff Black said that the wreck occurred near Walkers Creek, that Mrs. Heath's car had veered off the highway slightly a short distance west of the bridge, struck a guard post, broke a second post and crashed into the cement abutment and plunged over into the ditch. A Mexican whose name was not learned was the first to reach the wrecked car and was at the scene of the wreck when Sheriff Black got there.

Mrs. Heath was a native of Cleburne, Texas. She came to Cameron in 1946 to supervise the Welfare Department's work in Milam and Robertson Counties. Her home at that time was in Austin. She was the mother of two children, Henry Louis Heath, 14, and Ruth Lenore Heath, 11. They occupied an apartment in the Narvie Caperton home in Cameron.

Mrs. Heath, at the time of her death, was President of Business & Professional Women's Club in Cameron and had been active in its work. She was serving her second term as President, having recently been re-elected. She was a member of the First Methodist Church in Cameron.

Surviving in addition to her two

children in Cameron, are one sister, Evangeline Lane also with the Department of Public Welfare in Austin.

Her divorced husband, Earnest Heath, survives, address not known here.

Charlie Brown, operator of the Brown Service Station on highway 77 is confined to his home due to an accident suffered while working on a car when the fan belt severed his ring finger on the left hand. Friends will be glad to know he is improving but it will be necessary for Mr. Brown to be at home for the next several days.

Friends of Mrs. Mat Baggerly will be glad to know she is improving and has returned home after being a patient in Newton Memorial Hospital.

Mrs. Mary Garrett Celebrates Her 92nd Birthday Here

Mrs. Mary J. Garrett observed her 92nd birthday here on September 12.

Mrs. Garrett is the mother of Mrs. Dan Lunsford and is living in the Lunsford home. She is also the mother of Mrs. Maude Mullinix and Dan Garrett of New Mexico. Messages and gifts brightened the day for her.

Mrs. Garrett was born in Washington county in Burton community. She has lived in Cameron for the past 40 years. She is the mother of seven children, two of them now living. Before her marriage she was Miss Mary Blackburn.

Mrs. Grady Walston of Hearne is among the patients ill in Newton Memorial Hospital.

SEE and HEAR OLSEN and JOHNSON'S
FIREBALL FUN-FOR-ALL
every Thursday on Television

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Guess who's losing sleep over this one?

FOR years, folks have talked about the "low-priced three" in the car business.

For a generation these have been the same three cars, unchallenged for position simply because they were lowest priced.

But take a look at the beauty pictured here and ask yourself:

How would you like to sell against it, with its wealth of Buick features?

How would you like to compete with it when it wears a price tag any new-car buyer can reach, gives you straight-eight performance for less than many sixes?

Truth is, this one sets a lot of standards that are going to be hard to match.

This styling is certainly something to start other

designers tossing in their sleep.

This handy size—a dream in traffic, yet generous in interior room—is a "must" for cars yet to come.

The lift of high-pressure Fireball power—the level-going comfort of the Buick ride—the luxury of Dynaflo Drive, here optional at modest extra cost—all these are wanted things others just can't overlook.

So why not do the obvious thing and go see the car that's causing sleepless nights in Detroit?

Study its smartness, test its room and comfort, try its handling, note the precise figures of its delivered prices.

You can do all that on a single trip to your Buick dealer's—and make your selection of a wide choice of equipment and colors at the same time.

TEN-STRIKE!

Only Buick SPECIAL has all these Features!

TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLO DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORE AND AFT • SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISHER

CROP HARVEST BELOW SAME DATE IN 1948

Up to Saturday night, September 17 a total of 7900 bales of new crop cotton had been received at the warves of the Cameron Compress Company, it was said Monday by P. W. Davis, Manager.

Mr. Davis revealed that at this time in 1948 the total receipts were 12,500 bales. The 1949 crop maturity is later than last year, and coupled with this fact the county along with all central Texas has a pickier shortage.

Those in close touch with production know that the crop this year will be larger than the 1948 crop, both because of acreage increases as well as greater acreage yields.

Good harvest weather has prevailed thus far. If rains come now great damage will result. There has been little sample damage and little interruption on harvest, just a plain case of too few people living on the land. In the old days the rural population was heavy and resident labor was big enough to harvest most any kind of crop. For instance, in 1920, the county produced 80,000 bales.

VIKI CLAY CORBRAN

Mr. and Mrs. Joe B. Corbran of Cameron announce the arrival of a baby girl, Viki Clay, born at St. Edwards Hospital, September 16, 1949. She weighed seven pounds and two and a half ounces. Mrs. Corbran was formerly Miss Mary Jean Dockery. The baby was named after her maternal grandmother, Mrs. Clay Dockery of Cameron and Mrs. Victoria Corbran of Warren, Pennsylvania.

Edith and Barbara Walton spent Sunday in Temple.

Jeanette Hairgrove Top Ranking Home Making Student Now In Yoe High School

Cooking is also an art that Jeanette is learning. She cooked some of everything that she learned to cook in her foods classes last spring; bread, rolls, cakes, pies, salads, main dishes, soups, vegetables, egg dishes, tarts and puddings.

She must have also planned the use of her time wisely since she still found time to play, help care for chickens and the yard, help her father in his business and help can furits.

Jeanette says that it is impossible for her to put into words the things she learned doing this summer project, but ranking high was her ability to work pleasantly and happily with others. She is the daughter of Mr. and Mrs. O. L. Hairgrove and is now a homemaker student in Yoe High School.

After completing one year of training in Milano, Jeanette Hairgrove, 15, proved to her family

through her home project this summer that she is really a worthwhile family member.

Jeanette's chief interest was home improvement, since the day school was out in Milano her father moved their home to Cameron. Jeanette helped plan an improved kitchen and bath arrangements, finish the walls of the house in celletex, seal all of the seams in the walls and ceiling with builders tape, Kemtone the walls, ceiling and woodwork of the entire interior of the house in pastel shades, and paint the outside of the house.

In addition to this work Jeanette had time to help her mother make curtains for her room, make a blouse, two skirts and a dress. She also helped with mending, hemming of sheets, and putting hems in dresses.

A. C. Brady, father of Charles Brady of Cameron fell at the Brady residence Sunday and suffered a fractured hip. He was taken to St. Edwards Hospital and is reported resting as well as can be expected. His many friends wish him a speedy recovery.

This statement shows in detail as far as possible the financial status of the City Government at the close of business on March 31, 1949. I have in most cases shown all receipts and disbursements separately, particularly the major items. In some instances I have condensed smaller transactions in order to save space. As shown in the statement the total indebtedness of the City is \$63,800.00. Of this amount \$25,000.00 is a debt against the Ada Henderson School and \$4,800.00 is against the Physical Education & Vocational Building (Gymnasium). There are also \$13,000.00 outstanding Sewer Revenue Warrants. These warrants and interest are paid for from collections of sewer charges and no tax levy against the property is made.

You will note that the General Fund shows a cash balance of \$7,929.97 on March 31, 1949 whereas on April 1, 1948 the fund showed an overdraft of \$2,053.80. This shows a gain of \$9,083.77.

If any of the figures in this statement are not clear I shall be very glad to explain and verify if required to do so.

W. H. STAFFORD, City Secretary

MRS. HARRIET HEATH FUNERAL AT 4 P. M

Funeral services for Mrs. Harriet Lane Heath, Supervisor for the Department of Public Welfare for Milam and Robertson counties, were to be held at 4 p. m. Saturday from the First Methodist Church in Cameron by Rev. R. L. Lemons, Pastor.

Mrs. Heath was killed around 10:30 a. m. Friday on Highway 190 at Walkers Creek when her car went out of control on a wet pavement and crashed into a roadside ditch.

The body was at the Green Funeral Home in Cameron and will be taken to the church at 4 o'clock to-day. The Green Funeral Home will direct arrangements and interment will be made in Cameron's Oak Hill Cemetery.

Mrs. Heath was a native of Cleburne, Texas, but had not lived there in many years. Her only survivor besides two children is a Miss Evangeline Lane, also with the Department of Public Welfare.

Mrs. Heath had found so many friends in Cameron she had called it home and so friends to-day will bury her in beautiful Oak Hill.

She is survived by two children Henry Louis Heath 14, and Ruth Lenore Heath, 11, of Cameron.

Pall bearers will be selected from area workers for the Department of Public Welfare and from among Cameron friends.

SON TO THE GARTHS

Mr. and Mrs. Guy Garth have announced the arrival of a nine pound and thirteen ounce son born at Jacksonville, Mississippi, September 12, 1949. Mrs. Garth, the former Miss Margaret Martin of Cameron, is the daughter of Mr. and Mrs. J. C. Martin of this city. Mrs. Martin is spending several weeks in the Garth home. The baby is the second son for the Garths and had not been named at the time of the announcement.

Friends will regret to learn Mrs. Homer Allen is ill in Newton Memorial Hospital.

Walter McGregor Here Friday; Recalls Old Times In Cameron

Walter McGregor of San Antonio was in Cameron Friday for a visit with old friends and recalled old days in Cameron. He was born here and is the son of the late General Wm. McGregor, Confederate hero who was at one time county Judge in Milam County.

Mr. McGregor spent several hours Friday with M. G. Cox, prominent bar member. Mr. Cox, recalling old times, said that Mr. McGregor who was then a lawyer here, had shown him a great deal of consideration at one time.

It was during Mr. Cox's early experiences as a struggling young lawyer in Cameron. One day McGregor had a case in Justice Court and by way of introducing young Cox, asked the fledgling lawyer to make a speech to the jury. In those days oratory before a jury was somewhat the measure of the lawyer and while this has diminished some in the succeeding years, a good talker like Mr. Cox, still can sway juries. Mr. Cox went on to say how much he owed Mr. McGregor, in fact he brought his young bride to Cameron and they lived in the McGregor home and their son Joyce Cox, now a Houston lawyer was born in the old McGregor home which stood at the corner of West 11th street and North Central Avenue.

Mr. McGregor has not practiced law in many years. He is a brother in law of Conn R. Isaacs, county auditor and came to Cameron Friday with Mr. Isaacs. He is visiting in Rockdale. Many old friends here were happy to see him again.

General Wm. McGregor was a real pioneer here, having been one of the early settlers. He was made a Brigadier General in the Confederate army for exceptional gallantry in action upon the death of his immediate superior.

Mrs. W. R. McGregor of Temple visited in the Alvin Hefft home the past week end. Mrs. McGregor is a sister of Mrs. Hefft of Cameron.

VICTOR R. SCHMIDT DIED FROM HEART ATTACK

Victor R. Schmidt, 62, resident engineer here for the Texas Highway Commission, died at 7 a. m. Friday, September 16 in St. Edwards Hospital.

Mr. Schmidt suffered a heart attack. He had been ill for the past two weeks and it was understood was a surgery patient in 1948. News of his death was shocking intelligence to the people of Cameron and Milam county, especially to county officials who had worked with Mr. Schmidt during the months he had supervised bridge and highway construction in this county.

Mr. Schmidt was senior resident engineer among those who serve the Highway Department. He had been actively engaged as an engineer for the past 30 years and the Texas Highway Department placed a high estimate upon his abilities.

Born in the city of Austin, member of a prominent early day Texas family, he attended the University of Texas, graduating in engineering and architecture. He taught architecture for 13 years in the Austin High School and then was sought by the Highway Commission.

Mr. Schmidt came to Milam county during the construction of the great causeway and bridge across Little River, the engineering aspects of which he supervised, later taking up residence here and had constructed eight bridges in the county at the time of his death, one of them across the San Gabriel River.

Judge Dan Tyson, deeply shocked over the death of the engineer said:

"Mr. Schmidt's death has brought deep and sincere sorrow to the hearts of many here, especially to us here in the official family of the county where it has been a pleasure to know and to work with him. We placed a high estimate on his abilities and we found in him the fine qualities of kindness, sincerity and spirit of co-operation few men may possess. We know that his death is a great loss to the Highway Department and we join in deepest sympathy to the bereaved family and relatives."

The body was at the Marek-Burns Funeral Home in Cameron awaiting arrival here of members of the family who live in Austin. Funeral services were to be held in the capital, time to be announced later in the day.

Mr. Schmidt had been a resident of Cameron for the past 4 years.

The Richard Brennans Parents of Baby Girl

Mr. and Mrs. Richard N. Brennan of Lexington have announced the arrival of their daughter, Mary Margaret, born at 4 a. m. Tuesday, August 23, 1949 at Newton Memorial Hospital in Cameron. The baby weighed 6 pounds and 12 ounces at birth.

The mother is the former Miss Rebecca Jo Lewis, daughter of Mrs. Minnie Nell Lewis of Cameron and the late A. J. Lewis, prominent member of the local bar and former Criminal District Attorney here.

The father is teacher of Vocational Agriculture in the Lexington High School, a graduate of Texas A&M College.

Mrs. L. L. Blaylock of Cameron is the great grandmother of Mary Margaret.

THE CAMERON HERALD

SEPTEMBER 22, 1949

Mrs. R. A. Spoontz and son, Dick, spent a few days in McGregor this week. Dick will inter Schreiner Institute. Mr. Spoontz is the new pharmacist at Milam Drug Co.

L. W. Smith, Alvin Hefft, Jim Short and Mrs. Dean Haines with the Community Public Service Co. attended an all day district meeting at Clifton Wednesday.

Mrs. Jimmie Sells and two children of Houston have concluded a few days visit here with her grandmother, Mrs. India Stidham. Syd Stidham of Houston, was also a visitor with his mother for the week end.

Mr. and Mrs. Robert Rhode and daughter Janet of Kingsville visited Mr. and Mrs. O. L. Kidd this week.

WD TRACTOR WITH TWO-CLUTCH POWER CONTROL

PTO Independent of tractor motion

1. Transmission clutch starts and stops the tractor, but permits uninterrupted operation of PTO, belt pulley and hydraulic system.
2. Engine clutch controls entire power line. Transmission clutch makes it possible to stop or reduce forward travel without affecting PTO speed. Every experienced farmer will understand the advantages of this system.

TWO-CLUTCH POWER CONTROL is a real advantage in the harvest seasons. Stop in and see us for full information.

Full two-plow power. Available with wide front axle. 17 new features include power-adjusted wheel treads, 5-way hydraulic system and easier steering.

For Better Life in Texas

Highways and By-ways..

Famed for superb highways, Texas is also striding forward in the development of its by-ways—the farm-to-market road system which contributes so much to the comfort and convenience of all of its citizens.

By investing in Texas county and district road bonds during the past forty-six years, Southwestern Life Insurance Company, exclusively a Texas institution, has had a substantial part in aiding this State's road-building program.

Such investments not only assure continuing security and protection to owners of Southwestern Life policies, but also work for all Texans as capital in the development of one of the State's highly essential resources—its highway network.

THE CAMERON HERALD

ESTABLISHED 1860
JEFFERSON B. WHITE
Editor and Publisher

Entered in the Postoffice at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 8, 1879.
Published Thursday of each week except last Thursday in August and first Thursday in September. Subscription rates: In Milam County \$1.75 per year; outside county \$2.00; out of State \$2.25.

Chrysler's first post-war station wagon, a 9-passenger Royal model, combines beauty with utility. The white ash trim provides a pleasing effect in contrast with the mahogany paneling, which really is metal that has been processed to resemble the grained wood. The spare tire is easily accessible in a special compartment built into the tail gate. With the center and rear seats removed and the tail gate down, nearly 10 feet of loading space is available. The seats are upholstered in a leather-like plastic that resembles alligator hide and is easily cleaned with soap and water. Three body colors are available.

Heat Wave Is Due As Norther Fails

It is going to be very hot for the next few days.

The norther predicted for Tuesday has failed to make its way through the high pressure hot air areas in Central and South Texas and has receded to the point that temperatures Tuesday and Wednesday in North Texas will be in the upper nineties.

Here in central Texas the heat should reach 100 degrees or more, all depending on the blood pressure.

Scattered rains fell but none touched central Texas. The Panhandle had temperature around 50 degrees Tuesday morning but this condition was rapidly being wiped out by the return of heat.

FOR SALE—Three Butane gas heaters and one Butane water heater, all in perfect condition. Mrs. George Ditto, Gause, Texas. 23-2tp

TRY our Cold Wave, \$5.00 up. Smalley's Beauty Shop, Phone 1006. 24-2tc

FOR SALE—One, 5 gaited saddle horse, 5 years old, broke to ride, gentle to shoe and weight about 1050 lbs. Priced at \$100. J. L. Horton, Rt. 3, Box 109, Rockdale, Texas. 22-2tp

BARGAIN PRICE SALE

Two M Farmall tractors, fully equipped, one slightly used Ford tractor, fully equipped, one John Deere Combine, slightly used, one Side Delivery rake, slightly used, three four-wheel trailers, one triple Disc McCormick breaking plow, one twenty-five foot Hobbs trailer, nearly new, one 8-row Johnson Dusting machine, Seed Drill, Fertilizer distributor and numerous other farm implements, all in A No. 1 condition. See at Clyde Hensleys, on Hwy 190, 9 miles north of Cameron, Route 4, Phone 9011-F2. 21-ft

GOVERNOR SHIVERS TO ASK ELECTION IN 1950

MEXICO CITY, Sept. 14—Gov. Allan Shivers of Texas said today he will run for re-election next year. The tall, handsome executive came here for a friendship visit to Mexico. He told a news conference he would run "God willing and the people favorable."

Shivers, elected to a second term as lieutenant governor in 1948, became governor when Gov. Beauford Jester died this summer.

He came to Mexico by plane from Dallas with a small party of officials and friends.

The Texas "friendship caravan," headed by Executive Secretary Thomas Southerland of the Texas Good Neighbor commission, already is here.

After an airport welcome by Federal District Governor Fernando Casas Aleman, with a military band and all the Mexican trimmings, the governor whirled around town.

He registered at the Del Prado hotel and ran ahead of his program of visits.

At the U. S. embassy, he was welcomed by Ambassador Walter Thurston who went with him and Casas Aleman to "Los Pinos," official residence of President Miguel Aleman.

There the governor expressed Texas' "high admiration and sincere appreciation" for Mexico's joint efforts with the United States in fighting aftosa, the foot and mouth disease that has ravaged Mexico's cattle, sheep and pigs and has threatened for three years Texas' \$600,000,000 livestock industry.

From Los Pinos the governor and his party went to the monument to independence, near the U. S. embassy, and placed a wreath.

Shivers during his four-day visit will be President Aleman's guest at the National Palace ceremony of the "Grito," the Independence day reenactment at 11 p. m., Sept. 15 when Father Miguel Hidalgo sounded the church bell which started the 1810 revolt against Spain.

JENKINS GOES BACK TO TEXAS PRISON

Carl Jenkins, 34 year old ex-convict, was sent back to the Huntsville Walls here Saturday morning when he entered a plea of guilty to felony theft.

Jenkins was indicted at the May term of the Grand Jury in District Court on a charge of felony theft. Jenkins gave a worthless check to the Gaither Motor Company in Rockdale for an automobile.

Jenkins escaped jail here on September 9 along with Earl Morton another ex-convict. They saved bars in their cell and scaled down a tree to the ground. Jenkins was captured by Sheriff Buck Ray near Temple several days later and was returned to jail here by Sheriff Carl Black.

Morton was still at large Saturday. Jenkins said at the time of his capture he had no idea where Morton had fled.

When arraigned Saturday morning before Judge Bill Morrison in District Court, Jenkins said he was guilty as charged. He will be taken at once to Texas Prison.

3.73 RAIN AT BRENHAM

Brenham received the heaviest rainfall recorded anywhere in Texas Sunday. The fall there was 3.73 inches, according to the weather summary given Monday at noon. The weather will be a bit cooler Monday night but no pronounced change.

Miss Lora Anna Peed attended the William and Mary University of Virginia vs. University of Houston football game at Houston recently. Miss Peed is employed with the Newton Clinic and is on vacation.

12 Enlisted Men In Guard Unit Here Receive Promotions

By LLOYD ALBERTSON

Twelve enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion received promotions on last Tuesday evening, it was announced today by Capt. Rudolph Michalka.

He listed them as: Pvt. Charles A. Brady, Stanley D. Fikes and Andrew L. Ondreas promoted to Private First Class; and Reets. Johnny J. Balcar, Herman E. Hairston, Charlie E. Hrachovy, Leo L. Kostih, Milush J. Kostih, Paul T. Nabours, Billy G. Neeley, Wayne E. Tabor and Virgil C. Wall promoted to Private.

Capt. Michalka also reported two enlistments were made in Battery C during the weekly drill period. The two new Guardsmen are Billy B. Adams and Donald N. Batte, and were sworn in as Recruits.

Battery C received the first of its anti-aircraft weapons last week when two half tracks and two 40 mm Guns arrived from Camp Mabry in Austin. M-sgt William S. (Shirley) McLean and Sgt Mainrod Mraz drove this equipment back to Cameron. With its arrival, the Battery is now able to resume its practical training with anti-aircraft weapons which was begun at summer camp at Fort Bliss, Texas.

Paul Young, Jones Prairie Farmer, Buys Registered Jersey

COLUMBIA, O.,—Paul Young of Jones Prairie, has purchased the registered Jersey, Draconis Princess Lady Viola. The animal comes from the herd owned by Robert Steinman of Mexia, Texas.

The purchase adds to the steadily growing number in this area. Dairymen buy Jerseys because of the high quality of the milk they produce.

Purebred Jerseys are registered by The American Jersey Cattle Club which has its national headquarters in Columbus, O. Several programs are available through The American Jersey Cattle Club to help breeders get the most profit from their Jerseys.

INDUSTRY DIGGING IN FOR BIG WALK OUT

ASHINGTON, Sept. — The steel industry began digging in tonight for a nationwide strike as no progress was reported in government efforts to stave off a walkout of 500,000 workers at midnight Saturday.

Bethlehem Steel Co. started closing down some of its mammoth furnaces in Buffalo, N. Y., and all other producers are expected to show operations gradually to prevent damage to equipment.

The CIO steelworkers union meanwhile gave a virtual strike order in serving final notice on the Jones and Laughlin Steel Corp., to have its Pittsburgh plant "in-operative and non-productive" by 12:01 Sunday. That is the expiration date of the 11-day truce extension granted at President Truman's request.

The "no progress" report came from Cyrus S. Ching, chief of the mediation and conciliation service, who has been meeting the past two days with union and industry representatives in an effort to resolve the dispute over pension plans.

Ching said both sides had agreed to meet again tomorrow. He told reporters that CIO President Philip

Murray had postponed a scheduled meeting of the union's policy committee in Pittsburgh tomorrow so as to continue with conferences here.

Despite Ching's gloomy report there was a slight ray of hope that some peace agreement would be reached before the strike deadline.

John A. Stephens, vice president of U. S. Steel Corp., told newsmen "the fact that we are meeting tomorrow would seem to indicate we're getting somewhere."

But a CIO leader made it clear that if the owners refuse to accept the presidential board's pension plan the steelworkers then will renew their demands for a fourth round wage hike.

Mrs. Agnes Lowe was guest of her daughter, Mr. and Mrs. Clyde Sheffield at Freeport over the week end.

All Fire Insurance Is Not Alike!

There are policies to cover fire losses to a building . . . other policies to compensate landlords for rental loss . . . and policies to indemnify merchants for loss of income when fire interrupts business. Recommending the right fire insurance is an expert's job—a job we can do for you.

MINNIE STEDMAN, Insurance

THE MAMIE A. HEFLEY INSURANCE AGENCY

More and more folks are finding out every day how wonderful it is to live the electric way. Take the modern electric range, for instance . . . it's fast, efficient and economical. All you do is prepare your meal, place it into the range oven, set the accurate temperature control and electricity does the rest. The temperature control cuts on and off to maintain uniform heat . . . cooks a great portion of the time with the current off. It's cooler, too, because it's insulated to keep the heat inside . . . and, the high-speed cooking units are in direct contact with the cooking vessel . . . no wasted heat around or up the sides. Cleaner by far . . . doesn't smoke up your pots and pans, walls or curtains. So, make your plans today to go electric, all the way, and enjoy the benefits of dependable, low-cost electric service.

CARD OF THANKS

We want to express our sincere thanks to our friends and neighbors who helped us during the illness and death of our dear mother, Mrs. T. L. Randolph. For the beautiful flowers or any deed of kindness we shall always be grateful.

Mary and Lois Randolph,
Mrs. E. P. Werner.

Mrs. Ed Black of Hanover transacted business in Cameron Wednesday of the past week.

Full Schedule of Broadcasts Saturday By Humble Oil Southwest Football

One of the most unusual football broadcast timetables ever to confront listeners comes up this week on Humble Oil & Refining Company's weekly broadcasts of Southwest Conference games.

There will be but one day game—Texas vs. Temple, in Philadelphia—and that game will come to listeners with an early 12:30 kickoff because of time zone differences.

The remainder of Saturday's heavy, six game schedule, well-sprinkled with intersectional meetings, is at night. Three strong Southern Conference teams invade Texas with Wake Forest-SMU at Dallas, South Carolina-Baylor at Waco, and Clemson-Rice at Houston. Texas Tech and Texas A&M at San Antonio and Oklahoma A&M-TCU at Ft. Worth complete a evening schedule to provide listeners with an unusual Saturday night football selection.

Broadcast of the game between the Southwest Conference champion, SMU, and Wake Forest starts at 8:00 p. m. over stations KRLD, Dallas; KXYZ, Houston; KMAC, San Antonio; WACO, Waco; KNOV, Austin; KRRV, Sherman; KGV, Greenville; KSST, Sulphur Springs; KP-LT, Paris; KCMC, Texarkana; KMHT Marshall and KFRD, Longview. Kern Tipps will be play-by-play announcer and Fred Kincaid will handle color.

The Rice-Clemson game goes on the air at 8:05 p. m. with Eddie Baker announcing play-by-play, assisted by Bill Newkirk. Stations KTRH, Houston; KTSA, San Antonio and KXOL, Ft. Worth, will carry the game.

Eight p. m. is broadcast time for the TCU-Oklahoma A&M game; stations will be WBAP-570, Ft. Worth; KATL, Houston; KFDX, Wichita Falls and KREL, Baytown; and Charlie Jordan and Hal Thompson will be announcers.

The University of Texas-Temple broadcast gets off to an early start, 12:03 p. m., over stations KTRH, Houston; KRLD, Dallas; KABC, San Antonio; KTBC, Austin and KRGV, Waco. Ves Box will be the announcer.

Stations KWTX, Waco; KLEE, Houston and WRR, Dallas will carry the broadcast of the Baylor-South Carolina game, starting at 8:00 p. m. Dave Russell and Buddy Bostick will handle play-by-play and color, respectively.

Eight p. m. will also be broadcast time for the Texas A&M-Texas Tech game, with Bill Michaels announcing play-by-play and Alec Chesser color. Stations carrying the broadcast will be KABC, San Antonio; KFJZ, Ft. Worth; KTHH, Houston; KRIO, McAllen; KFDM, Beaumont; KRBC, Abilene; KGKL, San Angelo; KBST, Big Spring; KBWD, Brownwood; KCRS, Midland; KFYD, Lubbock; KORA, Bryan and KTRE, Lufkin.

Officers Are Named For Garden Club At Thursday Session

Cameron Garden Club held a call session Thursday at 10:00 a. m. at the home of Mrs. Emory Camp.

Mrs. Charlie McDermott acting as temporary chairman called the meeting to order and Mrs. Bill Burns read the minutes of the last meeting.

The meeting was called for the purpose of electing officers for the new club. Mrs. H. F. Smith was chairman of the nominating committee and presented the following names; Mrs. B. F. Robinson president, Mrs. Emory Camp first vice president, Mrs. Fred Reno, second vice president; Mrs. Bill Burns, Recording Secretary; Mrs. Charlie McDermott, Correspondence; Mrs. H. P. Culpepper, Treasurer; Mrs. Leland Denson, Time Keeper; and Mrs. Stanley Swift, Parliamentarian. All were voted in by acclamation.

Mrs. H. F. Smith is chairman of the committee to prepare the year book. Mrs. E. A. Flinn and Mrs. Leland Denson are on the committee.

Meeting date for the Club will be every third Thursday at 9:30 in the morning.

Mrs. Camp served iced cokes.

Mrs. A. L. Peterson of Waco visited her mother, Mrs. C. H. Ruby the past week end.

Mr. and Mrs. Leonard Chapman of Waco and formerly of Buckholts have announced the arrival of a six pound and six ounce daughter born at Hill Crest Hospital in Waco, September 18, 1949. She has been named, Marsha Gail. The mother is the former Helen Frazier, daughter of Mr. and Mrs. Sidney Frazier of Buckholts. The other grandparents are Mr. and Mrs. A. L. Chapman also of Buckholts.

Louis Livingston of Route 4, Cameron was in Cameron Monday of the past week.

Miss Lucille Maddox who is employed at St. Edwards Hospital is enjoying a ten day vacation.

Mr. and Mrs. Thompson Kemp of Dublin have returned to their home after visiting in the home of his mother, Mrs. Jeff T. Kemp.

Clara Matula spent the week end with her sister, Mrs. Herman Boedeker at Caldwell and visited in Bryan Sunday afternoon.

Mr. and Mrs. John Green of Rosebud made a business visit here Tuesday and were guests of relatives for a short time.

Mr. and Mrs. F. G. Blake of Hearne visited their son, Gene Blake and family Sunday.

W. J. Wallace of Rural Route 3 transacted business in Cameron the first of the week.

C. E. Crawford of Corpus Christi attended the funeral of his sister-in-law, Mrs. Harriett Lane Heath Saturday.

Mrs. Grady Walston is a medical patient at Newton Memorial Hospital.

Mr. and Mrs. George Gamble of Sharp were Cameron visitors Thursday of this week.

Mrs. James Haile of Rockdale is ill and a patient in Newton Memorial Hospital.

Mr. and Mrs. H. L. Dake were Sunday guests of Mr. and Mrs. Bill Lange of Buckholts.

Mr. and Mrs. Robert Lee Dake of Grand Prairie visited friends and relatives in Cameron this week.

MRS. BERTHA DREYER IS DEAD IN DALLAS

Mrs. Bertha Dreyer, 83, mother of Henry Dreyer, Cameron business man died at 4 a. m. Friday, September 16 at the home of her daughter, Mrs. W. M. Thomas in Dallas.

Mrs. Dreyer had been ill for only a few days.

Funeral services were to be held at 10 a. m. Saturday, September 17 at the Thomas home in Dallas with interment in the Lott cemetery in the afternoon. The body will be placed beside that of her late husband who died in 1918.

Among the survivors are the following sons: Henry Dreyer of Cameron; Charley Dreyer of Brenham; Almer Dreyer of Houston; Kenneth Dreyer of Rowena, B. G. Dreyer of Marlin and one daughter, Mrs. W. M. Thomas of Dallas. Sixteen grand children survive.

Dr. T. E. Crump Under Surgery In Temple

Dr. T. E. Crump of Cameron, widely known physician, is a surgery patient in the Scott & White Hospital in Temple.

Dr. Crump's condition was thought to be critical early this week but reports Saturday indicated he is improving and friends here were glad to have this news of his condition.

Frank Morgan, King Character Comedian Died In Hollywood Home Sunday

HOLLYWOOD, Sept. 18—Frank Morgan, the chuckling king of character comedians, died in his sleep at his hilltop Beverly Hills home today. He was 59.

His wife of 35 years, Alma, woke up at noon and found the white-haired actor dead in bed. She said he apparently passed away quietly.

"He just never woke up," she said. A doctor called to the home said death probably came from heart failure. Morgan, a veteran of 38 years on screen, stage and radio, and a well-known yachtsman, had been hale and hearty. Recently he took up swimming and bought a new 117-foot yacht, "The Chita." Friends said he had planned to take a trip around the world.

Morgan had just finished displaying his famous white mustache and laughter in a Loretta Young-Clark Gable picture, "Key to the City," and was due to resume his important role of Buffalo Bill in "Annie, Get Your Gun."

"He hadn't had a sick day. He was jovial and happy-go-lucky right to the last," a close friend said.

Morgan was one of radio's top comedians from 1938, when he starred on the Maxwell House Soffe Hour, until he quit that medium last year. On the airways he played a blustering, ignorant fellow. But in the movies his character roles recently became more serious. He played a broken-down baseball player in "The Stratton Story," for which he shaved off his mustache for the first time in 10 years.

His recent pictures included "The Great Sinner," "Green Dolphin" in 1947.

The movie colony will miss an active citizen. Morgan was mayor of Borrego Springs, a swank colony of desert homes near Palm Springs which he started.

MILANO NEWS

A serious accident happened recently when an oil stove exploded in the home of Mr. and Mrs. Earl Hardcastle. Through the heroic work of Mrs. Hardcastle the house was kept from burning. She was badly burned on her arms and hand trying to extinguish the fire.

Mr. and Mrs. Lee Braun left Saturday for Chicago for a ten day trip. Mr. Braun is going on business for the Santa Fe, Railroad.

Mr. and Mrs. Eldon Ball of North Gulch were week end guests of her parents here. They left Sunday afternoon accompanied by her mother, Mrs. S. C. Westbrook.

Mr. and Mrs. Nick Brennan and little daughter, Mary Margret were Sunday guest of his mother, Mrs. Bessie Brennan.

Mr. and Mrs. Jack Stewart have moved to Somerville where Jack is employed in Garage work. We regret losing those good people.

Mrs. Jessie Bankston had for week end guests her sister and brother-in-law from Kingsville.

Miss Gertrude Jones who is teaching at Thrall spent the week end at her home.

Mr. and Mrs. Buddie Brock of Austin were week end visitors in Milano.

Pete Mullins who is with the army spent his vacation here in the home of his sister, Mrs. G. W. Hilliard.

Mr. and Mrs. Rufus Butts of Houston were week end guests of his mother and sister, Miss Lottie.

Mrs. Landrum of Galveston was a guest of her son, Rev. Landrum last week.

The NYF of Milano district will meet in Milano September 26, at Milano Methodist Church for a social and business meeting. We hope to have a good crowd from all districts.

Mr. and Mrs. Adrian McCowen and little son from Camp Hood spent the week end in the home of her parents, Mr. and Mrs. W. E. Thomas.

Mrs. W. E. Thomas recently returned home from Italy where she had been visiting several days.

Mrs. Janie Lloyd of Bryan is visiting in the A. McGregor home.

Miss Jeanett Williams of Houston is spending her vacation here with her parents.

Mrs. Fannie Holdness visited friends and relatives here last week.

Mrs. Fred Brannon of Houston spent the week end with her parents here.

Mr. and Mrs. Ray McCanley of Fort Worth, Jack Hood of Memphis, Tenn., and J. D. McMen of Houston transacted business here and in Cameron last week.

L. B. Dukes and Miss Gertrude Dukes were visitors in Cameron Saturday.

Mr. and Mrs. A. McGregor visited their daughter and husband in Caldwell last week.

Mrs. Luther Kerns of Hearne visited her parents Mr. and Mrs. Tom Tabor Sunday.

MARLOW NEWS

Robert Green visited his mother Mrs. A. C. Edmonds last week on his way to New York. Mr. Greer is ex-Leutenant in the Navy and will take up Television school in New York very soon.

Mr. and Mrs. Bunce Henry spent the week end in Austin visiting their son, Mr. and Mrs. Arland Henry.

Watty McClaren a student at A&M College spent the week end with his parents, Mr. and Mrs. Sherwood McClaren, Jr.

Mrs. Curtis Barron is ill and a patient in St. Edwards Hospital. Her many friends regret to learn of her illness and wish her a speedy recovery.

Mr. and Mrs. Leonard Baldwin and Helen visited in Cameron one day this week.

Charles McDermott returned to A&M College this week. Charles is

a senior student at the College this year.

Mr. and Mrs. Alvin Houston and daughter visited friends and relatives Sunday.

Friends will regret to learn Jack Wallace is ill at his home this week.

Mrs. Minnie Lamkin has returned from a visit with her daughter in Waco.

HUMIDITY LESSONS

Relative humidity was below 40 at noon as the effects of the cool spell became more pronounced. Dry air had dissipated the moisture content. A slight wind was blowing from the northeast. Pampa, Texas had 46 degrees.

Mrs. J. L. Gross of Fort Worth has concluded a visit here with her father Will Gjedde. She also visited in the home of her brother, R. M. Gjedde of Corpus Christi while here.

WHY THE MISSOURI PACIFIC RAILROAD STRIKE?

Over twenty years ago, the Congress of the United States passed the Railway Labor Act. It was hailed by union leaders as a model for the settlement of labor disputes.

THE LEADERS of the Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, Order of Railway Conductors, and the Brotherhood of Railroad Trainmen on the Missouri Pacific Railroad have refused to avail themselves of the peaceful means provided by this Act for settling their disputes. They insist that they be the sole umpire of their own disputes over the meaning of contracts.

There is no Need for Strikes

With all of the available methods for the interpretation of contracts, there is no need for a strike or even a threat of a strike, but the leaders of these railroad unions have ignored the ordinary procedures established by law and insist upon imposing their own interpretations of their contracts by means of a strike.

The wheels have stopped rolling on the Missouri Pacific. They may stop rolling on other railroads at any time. Recently the Wabash Railroad was forced to discontinue operation for several days under similar circumstances.

What are These Strikes About?

These strikes and strike threats are not about wage rates or hours. They result from disputes over the meaning of existing contracts. They cover claims for a full day's pay for less than a day's work, or for payments for services performed by others who were fully paid for the work done.

President Truman's Board Condemns Strike

There is an established legal method for handling disputes involving existing written contracts—just as there is such a method of settling any contract dispute which you may have in your daily life.

The President of the United States appointed a Fact Finding Board to investigate and adjust the Missouri Pacific dispute. This Board reported, in part, as follows:

"... it is with a deep sense of regret that we are obliged to report the failure of our mission. It seems inconceivable to us that a coercive strike should occur on one of the nation's major transportation systems, with all of the losses and hardships that would follow, in view of the fact that the Railway Labor Act provides an orderly, efficient and complete remedy for the fair and just settlement of the matters in dispute. Grievances of the character here under discussion are so numerous and of such frequent occurrence on all railroads that the general adoption of the policy pursued by the organizations in this case would soon result in the complete nullification of the Railway Labor Act..."

Obviously the railroads cannot be run

efficiently or economically if the leaders of the unions ignore agreements or laws.

Provisions of the Law which are Disregarded

There are five ways under the Railway Labor Act to settle disputes over the meaning of contracts:

- 1—Decision by National Railroad Adjustment Board.
- 2—Decision by System Adjustment Board for the specific railroad.
- 3—Decision by arbitration.
- 4—Decision by neutral referee.
- 5—Decision by courts.

The Missouri Pacific Railroad has been and is entirely willing to have these disputes settled in accordance with the requirements of the Railway Labor Act. Regardless of this fact, the union leaders have shut down that railroad.

Innocent bystanders Suffer Losses and Hardships

There are about 5,000 engineers, firemen, conductors and trainmen on the Missouri Pacific. They are known as "operating" employees, and are the most highly paid of all employees on the nation's railroads, but their strike action has resulted in the loss of work to 22,500 other employees of the Missouri Pacific. In addition, they have imposed great inconvenience and hardship upon the public and the communities served by that railroad.

The Railway Labor Act was designed to protect the public against just such interruptions of commerce.

If these men will not comply with the provisions of the law for the settlement of such disputes, then all thinking Americans must face the question, "What is the next step?"

SHUTDOWN OF PITS IS THE BLEAK FORECAST

Angry soft coal miners struck today over suspension of the United Mine Workers' welfare and retirement fund.

The walkout was expected to be 100 per cent effective in Pennsylvania and field reports predicted large-scale shutdowns in four other big coal-producing States. The "voluntary" walkouts threatened to plunge the nation into a full-fledged, general coal strike.

Definite strike action was taken by UMW locals in Pennsylvania and West Virginia, which produce more than a fourth of the nation's total coal tonnage annually. Union leaders in other States generally were non-committal, but reports indicated overwhelming miner sympathy in favor of a walkout.

The miners' adopted this slogan:

"No pension fund, no work."

The miners voted to strike in union local meetings across the country yesterday. Although some locals took no official action, the miners reportedly agreed among themselves to lay down their tools until UMW Chief John Lewis tells them otherwise.

The miners were "boiling mad" over suspension of their benefits because coal companies were "defaulting" in their payments to the fund.

The full impact of the walkout will not be determined until 7 a. m. Monday, when the first shifts are scheduled to report for work.

RICE CEMETERY

Sunday, October 9 will be cemetery cleaning day in the Rice Community. People of that community will meet at the church and spend the day cleaning and beautifying the cemetery. All the people are urged to attend.

Mrs. Graham Gilles spent the week end with Mr. and Mrs. George McDonald at Valley Mills.

TORRID WEATHER TO ABATE SOME HERE

A cool front, described as weak, was stymied somewhere around Fort Worth and Big Springs line early Monday.

Back of the front a few showers were falling but nothing like good soaking rains. South of the front the weather was torrid and as it looked Monday morning no relief would come to central Texas before Tuesday or late Monday night, if at all.

It was 95 degrees Saturday and Sunday reading had not been posted at the Community Public Service Company. The temperature Sunday was as high, no doubt and may have been higher. Chances were that the heat wave would continue in customary September style, withering

and exasperating to the very end of Summer.

Some folks are laying in store a lot of prognostications about the Equinox. That comes on September 22 and we have a new moon then. A change can be expected then.

In the meantime it may be cooler by Tuesday. The front was moving very slow in the face of pressure. Recorded temperatures were in the fifties in some sections of the Panhandle Monday morning with 80 degrees in Ft. Worth. Forecasts said it might be 60 degrees in North Texas by morning.

Friends are welcoming Mr. and Mrs. Sam Janes to the City, where Mr. Janes has accepted a position with Burkes-Howard Co. The Janes came to Cameron from Osebud and are now making their home in the F. G. Blake residence on East 19th Street. Mrs. Janes is a sister of Mrs. Jack Cammer.

Yoemen Schedule Is Journey Out of City Friday Night

When the Yoemen resume their schedule Friday night they will be in Brenham for a game. After that they come back to the home field for 3 games.

Taking a spanking Friday night from Caldwell 12 to 7 the Yoemen may be expected to snap back but chances are they will have another hard assignment Friday night. Cameron has won over Brenham for the past 2 years.

The Yoemen will open their conference schedule here on September 30 against Georgetown.

The 1949 team is sprinkled with Sophomores, is short on replacements and generally is behind the 8 ball but determined. They won't be shoved around by anybody.

Printing is a home industry.

YOEMEN LOSE HEART BREAKER TO HORNETS

Cameron was outplayed and The Yoemen lost their first game of the season to Caldwell Friday night 12 to 7.

It was not so much an upset as it was good football and a tricky T formation they have mastered well that enabled the Hornets to play much of the game in the shadows of the Cameron goal.

Though defeated, an experience they have had little of in four years, The Yoemen looked much better than they did in the game against West for the simple reason they had to fight harder and had it not been for that fight the score might have been embarrassing. As it was they lost by only 5 points.

In the second half the Yoemen had solved to some extent that T formation used against them. They fared better. Caldwell racked up a score in the first quarter. Cameron cashed in on the Hornet failure to punt out from their 20. Alton Fuchs, bottled up most of the night managed a 20 yard run for the score.

Fumbles, plain and fancy, frequented action on both sides. Cameron was leading 7 to 6 at the third quarter but a fumble on their 5 cost them the game. Caldwell went on to make it 12 points though they could not kick one through the posts.

1st Quarter

Cameron won the toss as Co-Captains Gibson and Fuchs met Co-Captains Melver and Siptak in the center of the field. Cameron elected to receive and Homeyer kicked to Fuchs who received on his 8 and ran it back to the Yoemen 33. The Yoemen fell under the spell of hard luck at the outset. Fuch's pass intended for Batte was intercepted. Melver made 5 yards as Stanislaw and Hollas collaborated to smack him down. Melver made it a first down. The Hornets run from the T formation. Ball on Cameron 39. Charlie Michalka scooped up a fumble on the Cameron 35 as Luedeke broke through. Fuchs tried a pass to Joe Johns the Cameron left end but it was wide. Fuchs found Charley Michalka with a pass and it was good for a first down. Another pass failed and Fuchs was smothered at the line. Eldon Batte who ran away in the West game picked up 5 yards and then Cameron drew a penalty that was refused by Caldwell. Logan got off a poor punt on 4th down. The ball was muffed by Schigut. On the first play Womble lost 2 yards and Schigut, the big offensive star of the game, got 10 and a first down. Luedeke made another first down and the ball was on the 50. Whited got two as Louis Hollas smacked him down. Schigut picked up five. Womble passed to Schigut for a first down. Schigut broke through for 15 yards and another first down. Ball on the Cameron 20 as Cameron drew five yard penalty for a late substitution. Addison picked up two. A fumble recovered by Luedeke lost a yard. Addison then slipped through the leaking Yoemen line to the 7. Schigut was slapped down on the line and then threw a perfect pass to Womble across the goal for the score. Homeyer missed the extra try. Score Caldwell 6, Cameron 0. Homeyer kicked over the goal and Fuchs elected to play the ball and ran it out to the 8. Batte managed 5 yards. Cameron fumbled again and Caldwell recovered on the 15. Addison went to the Cameron 5. Cameron was having trouble with that tricky T formation as the quarter ended.

2nd Quarter

The Yoemen fired back, their backs to the goal. They recovered a fumble. Michalka came in for Ermis at left tackle. Fuchs lost 4 and the ball was on the 5. Logan got four and then Batte cruised his own right end for a first down on the 19. Batte and Fuchs picked up 8 in a try each and Logan failed to gain. It was 4th down. Logan kicked to the Cameron 49. McIver picked up 6 and Bill Neely put a hard tackle on Luedeke for no gain and Caldwell drew 15 yards for offensive holding. Frank Malone came in at right end to relieve Johns. Luedeke got a first down on an end sweep. A wild scramble ensued and Luedeke recovered for 12 yards and a first down. The ball was on the Cameron 28. Fuchs went out and Charlie Michalka came in. Schigut picked up 2 and Captain Gibson was hurt and helped off the field. It's a bleak night. Ed Maas comes in at center. Schigut got 4. On 4th down the Hornets elected to play and not kick but Bob Stanislaw broke through and nailed Schigut for an 8 yard loss. Cameron took over. Fuchs lost 5 yards on a pass try and was back on his 20. Fuchs failed again on a pass try to Michalka. Fuchs was thrown back to his own 5 when he could not pass. He had little protection. Fuchs kicked out to the Cameron 35. There was a fumble in the Caldwell backfield, the ball batted around over the field but was finally recovered by Schigut on the Cameron 30. Womble was smothered by Bill Neely and lost 2 yards trying to pass. Caldwell tried a pass on 4th down and it was no good.

The ball went over. Malone came in for Johns at left end. Fuchs racked up 15 yards around the Caldwell right end. Fuchs passed to Malone over the center of the line and interference was ruled. The ball was on the Caldwell 49. The Yoemen had worked out of a deep hole, one of many they were in during the evening. Fuchs picked up 4 yards and on the next play a long pass to Charlie Michalka rolled away on the Caldwell 30 yard line as the half ended.

At The Half

The Caldwell band came on in gold uniforms, very impressive. At the conclusion they made a three letter word W I N and that's what they did 12 to 7. Cameron band concluded the activities. Best high school band in Texas. They look very impressive deployed and not so good in close formation. The usual salute C H for Caldwell high and then the Y O E. David Hudson the new Mascot, is diminutive enough from press box, a sprite in immaculate white and gets roar out of the crowd on his jaunts up and down the field, giving passing band men an occasional slap and making a big hit on his first appearance.

3rd Quarter

Gibson is back in at center. The Yoemen look tired but they come out fighting. Gibson kicked off to Luedeke who ran it back to the Caldwell 40. Womble lost 4 on a bad pass from center. The Hornets had to kick after Cameron refused a penalty to bring up 4th down. Batte received

and handed off to Fuchs. On the first play Batte got 9 yards. Charlie Michalka made it a first down on a sneak through center. There was a fumble and recovery. Penalty was refused and Logan got 7 around his own left end. The Yoemen could not go. Logan kicked to Schigut who was downed on his 20. Fuchs stopped Addison and Luedeke made a slight gain, then Schigut picked up 8 on a pass play. Cameron's line was doing better. Schigut failed on a fourth down try and Cameron got the ball on the Caldwell 30. Alton Fuchs finally got way, running to the Caldwell one yard line for a 29 yard gain and then carried it over. Logan laced it through and Cameron was back in the ball game. The score 7 to 6 in their favor. Gibson kicked to the Hornet 35. Fuchs, Gibson and Hollas collaborated to smack down line plays and Stanislaw stopped Schigut after a yard gain. It was the 4th and 8 yards to go. Cameron got the ball deep in their own territory and called time out. Batte was slung down hard by Lunsford on an end sweep. Cameron fumbled and Caldwell recovered. Ball on 18. Line plays failed and Schigut passed over the goal and it was no good. Another pass advanced to the 14. They passed on fourth down and it was good but it was not enough. Cameron took over on the 10. Fuchs picked up four and then Cameron got 5 yard penalty. Caldwell recovered Fuch's fumble on the 5 and went on to score. Talash who came in from the bench went through

untouched. The extra point was missed and the score stood Caldwell 12 and Cameron 7. That fumble cost the Yoemen the game. Homeyer got off a tremendous kick down field to Batte as the quarter ended.

4th Quarter

Logan and Batte made it a first down. Fuchs lost 2 and Batte recovered a Cameron fumble. Fuchs lost 10 yards trying to pass. The Yoemen were 25 yards from a first down. Logan got off a short kick. Hollas threw Schigut after a one yard gain. Failing gains, Schigut off a 30 yard punt that was misplayed and fumbled on 10 yard line by the Yoemen. Four minutes were left to play as much time was consumed in the fading minutes. Cameron was desperate. Fuchs tried a pass from his 10 yard line that was almost intercepted. Fuchs then racked up 6 yards after a delayed pass try. Failing to make the necessary yardage Logan got off a booming punt down to his own 49. Talash ran the ball to the Cameron 30, then got two and Schigut made it a first down on the Cameron 13 yard line. In the fading moments of the game the Yoemen were backed up in the shadow of their goal posts. Schigut picked up two yards to the 11 as the game ended. The Hornets were set for another score but time saved the tired and battered Yoemen. Final Caldwell 12, Cameron 7.

Mrs. Dick Depew is a medical patient in St. Edwards Hospital.

Bodies Two Texas Cattlemen Found In Oklahoma Hills

The bodies of two west Texas cattlemen were found to-day in the burned wreckage of their plane in the hills of Northern Oklahoma.

The men were J. W. McBrayer, White Deer and William B. Cline, Amarillo. They had been missing since September 8 when they radioed for weather information while skirting the edge of a storm in that area.

They had been to Cleveland, Ohio for the air show and were on their way back to Amarillo when the plane crashed.

Glenn McCarthy Hits New Oil Bananza In Gulf Coast Region

HOUSTON, Sept. 18—A major oil field has been discovered in the Collins Lake area of Brazoria County, about 40 miles southeast of Houston, by the McCarthy Oil and Gas Corp. "The most important discovery of my career," is the way Glenn H. McCarthy, president of the firm, described the new oil find today.

The new producer is the McCarthy No. 1 P. P. Jamison and today it flowed at the rate of 644 barrels of oil daily through a quarter-inch choke on initial gauge. Working pressure was 1,000 pounds.

MISS JOE ANNE CRAWFORD

Mr. and Mrs. T. A. Crawford are announcing the approaching marriage of their daughter, Joe Anne, to Richard Lee Norman, son of Mr. and Mrs. Wilford Norman of Austin.

The wedding will be solemnized at North Central Church of Christ, Cameron, Thursday, September 22 at eight o'clock in the evening. The vows will be read by the groom's grand father, Luther Norman of Wharton, Texas.

The public is cordially invited to attend the wedding and the reception at the home on East Second Street, following the wedding.

Roxy Riddle and Clyde Moore Wed

Roxie Riddle, daughter of Mrs. Myrtle Riddle of Cameron became the bride of Clyde Moore, son of Mr. and Mrs. John Moore of Temple.

The ceremony was performed in Cameron.

Mrs. Robert Michalka, sister of the bride was the only attendant.

The bride was attired in a topaz street length dress and her accessories were copper colored.

The couple will make their home in Temple where Mr. Moore is employed.

Mr. Moore served in U. S. Army and spent several months overseas.

Pleasure and Profit Club Meets In Home Mrs. Herbert Nance

The Pleasure and Profit Club met at the home of Mrs. Herbert Nance Thursday. An introduction of the yearbook and a review of plans for the current season was discussed. Mesdames W. A. Morrison, E. J. Burkes, Earl Moseley, Charles Brady, A. H. Hightower and W. T. Whatley, Jr., participated in a panel program to introduce the study theme, "Health and Beautification".

The home was decorated with purple asters for the meeting. A refreshment course of punch and cake was served.

The Club has several outstanding programs for the year including, the visit of the Fourth District Federation president, Mrs. A. T. Carlton, and a review by Mrs. Herbert Emery of Dallas. Several worthwhile projects to benefit the city are outlined in the yearbook.

Mr. and Mrs. A. C. Mitchan and sons visited in La Grange Sunday.

Beatrice Tindall and Alfred O. C. Dent, Jr., Married in Harlingen

Saturday evening at eight o'clock Miss Beatrice Tindall of Cameron and Alfred Oliver Slarence Dent, Jr., of Harlingen were married by the Rev. Fred Croft, pastor, in the St. Alban's Episcopal church at Harlingen, in a double ring ceremony.

The bride's parents are Mr. and Mrs. J. W. Tindall of Cameron and Mr. Dent is the son of Mr. and Mrs. A. O. C. Dent, Sr., of Harlingen.

Two vases of white asters provided the church decoration. Organist, Mrs. Jack Bryant Jr., of Brownville, Texas, played a selected group of nuptial preludes and the wedding marches.

The bride given in marriage by her brother, Sam Tindall of Cameron was dressed in an afternoon dress of periwinkle blue and fashioned with a small bib collar and cuffs trimmed of tiny margins of white waffle pique. She wore a velveteen polk bonnet trimmed with blue velveteen flowers and veil. Her only jewelry was a strand of pink pearls and pink pearl ear rings a gift of the groom. Of sentimental significance was an English shilling worn in her shoe, that was also worn by her sister-in-law, Mrs. Dwight C. Callen at her wedding. The bride carried a pale pink orchid surrounded in ruffles of lace net and long white satin streamers knotted with white tube roses.

Miss Helen Rabe, of La Blanco was maid of honor. She wore yellow rust faille with brown accessories and was accented with a white carnation corsage.

Tom Lee Bryant was best man and Dwight C. Callen, brother-in-law of the groom, was usher. Paul Dent, brother of the groom, gilded the candles for the ceremony.

Iridescent taffeta was chosen by the groom's mother which was contrasted with a tinted blue carnation corsage, and white accessories.

After the wedding ceremony, the bridal pair and party received close friends at the home of the groom's parents. The brides table was covered with a lace cloth and held a three-tiered cake with bridal figurines. White Astors and pale blue tube roses formed the centerpiece. The reception rooms were decorated with white gladiolas, pale blue tube roses, white zinnias and white asters.

Out of town guests were listed as Clayton Baker, cousin of the bride from Cameron and Mr. and Mrs. Jack Bryant, Jr., and children of Brownsville.

For traveling the bride chose a two piece fuchsia pin stripe faille suit and black accessories. Her pale pink orchid was worn at the shoulder.

The wedding trip included a stay in San Antonio and on their return are making their home at 803 East Monroe Street in Harlingen, where Mr. Dent has been employed with Jack Bryant's Car Lot for the past two and half years, but is now associated with his father in business.

The bride received her Cameron high school diploma in 1947 and attended Nurses Training School for two years at the Valley Medical Center in Harlingen.

Dr. Dent attended Harlingen high school preparatory to serving three years in the United States Navy.

Three Arts Club Is Entertained In The Roger Maddox Home

Mrs. Roger Maddox, Mrs. Dana Kestenbaum, Mrs. Henry Michalka and Mrs. Bob Wells were hostesses to an al fresco supper at the Maddox home Monday evening, September 12, for members of the Three Arts Club and their husbands.

Mrs. Niley J. Smith was welcomed as a new member. Dr. and Mrs. George Bowman were guests.

A fried chicken supper with congealed fruit salad, and angel food cake squares was served in three courses by the hostesses. Games were played after the supper.

Member couples were: Mr. and Mrs. C. B. Harden, Mr. and Mrs. A. H. Baskin, Mr. and Mrs. Gene Blake, Mr. and Mrs. E. B. Camp, Mr. and Mrs. Frank Cheeves, Mr. and Mrs. John H. Davis, Mr. and Mrs. Franklin Dusek, Mr. and Mrs. Carol Green, Mr. and Mrs. Dana Kestenbaum, Mr. and Mrs. Henry Michalka, Mr. and Mrs. Dwight Moody, Mr. and Mrs. Ben Reichert, Mr. and Mrs. Fred Reno, Mr. and Mrs. John A. Smith, Mr. and Mrs. Robert Wells, Mr. and Mrs. Niley J. Smith and Mrs. Gus Evans.

Beta Sigma Phi Here Resumes Meetings As Fall Days Arrive

Theta Chapter of Beta Sigma Phi announces the close of summer season and resumption of the regular bi-weekly chapter meetings. The organization's special planned cultural programs are featured at these regular meetings. Outstanding among the fall chapter activities is the official Rushing Program. This program is carried out in coordination with more than 3000 chapters of the International Organization, through out the United States, Alaska and Canada and is even participated in by chapters in England, Scotland, Hawaii, Guam, Cuba and the Canal Zone. Chapters established for American members living in Germany and Japan will also take part.

Mrs. Chas. Smith, who is Vice-President and official Rush Captain in charge of Rushing activities for Theta chapter here in Cameron states that the September-October rushing events will include Round-Up Party at Cameron Country Club and Preferential Breakfast and that membership committee in conjunction with the social committee is now completing plans for the rushing activities, which will be announced at an early date. Mrs. Smith has indicated that the Rushing Program, which has for its theme "VISION" is being planned along lines which will more fully acquaint the community with the scope and achievements of this far reaching organization, which contributes so much to the social, cultural and civic life of the communities in which it functions. The local chapter officers are just beginning their active term of office and Mrs. Seth Corley is President of the group, serving with her on the Executive Board are Mrs. Chas. Smith, Vice-President; Mrs. Wilson Killen, Secretary; Mrs. T. A. Crittenden, Treasurer.

Jane Flinn Is Given Party Thursday

As a courtesy to Miss Jane Flinn before she left for Stephens College Saturday, Mrs. E. A. Flinn and Miss Catherine Flinn entertained the college set with an informal party on Thursday afternoon.

The living room was decorated in lovely roses and dahlias.

The guests were invited into the dining room for refreshments served from the dining table, which was centered with a bowl of rainbow asters. Cookies, sandwiches, olives and mints and punch was served to 21 guests.

VETERANS INSURANCE—

(continued from page one)
paid only for the period that the policy was in force prior to the policy anniversary in 1948. No payments will be made for periods of lapse, VA emphasized.

In computing the maximum payment of \$528, the dividend was based on a \$10,000 policy in force for 96 months, (the longest possible period), on a veteran age 40 or less at the time the policy was taken out. This represents a payment of 55 cents a month per \$1,000 of insurance. As the mortality rate for the age group of 40 and under did not vary greatly, a single dividend rate will apply to this whole group.

The rate of payment will be: Those under 40 years of age at the rate of 55 cents per month per \$1,000 of insurance; those 41 to 45 years of age, scaling down from 52 cents to 40 cents; those 46 to 50, 37 cents down to 25 cents; those 51 to 54, 24 cents down to 21 cents; those 55 and over, 20 cents per thousand.

The proposed scale does not apply to insurance on a permanent plan which has been surrendered for a reduced paid-up amount. These cases will be handled separately.

SLAYER ALICE RADIO MAN IN BELTON JAIL

BELTON, Sept. 14—The trial of former Deputy Sheriff Sam Smithwick, charged with the slaying of crusading radioman W. H. (Bill) Mason of Alice, was set today for Monday, Oct. 24, at 10 a. m. in 27th district court here.

The trial date was set by District Judge Wesley Dice upon motion of District Attorney James K. Evetts after a study of the order changing venue from Jim Wells county to Bell county.

The transcript was received today in the office of District Clerk Roy Mason. The case was transferred here on order of District Judge Paul A. Martineau at Alice.

Judge Dice had indicated earlier that Smithwick's trial might not come up until the next term of court in January. However, after a study of the records, he agreed upon the October date.

The trial was transferred to Belton Monday from Alice, where Mason was shot to death July 29.

Smithwick pleaded innocent at his arraignment in Alice. Both District Attorney Sam Reams and defense attorney H. M. Wilder then asked for a change of venue.

District Judge Paul A. Martineau overruled their requests. He said transfer on a change of venue would take the case to an adjoining area in south Texas, where feeling is high.

He said the law permitted him to transfer the case on his own initiative and he was sending it here.

Smithwick was transferred from Alice to jail here Tuesday.

Mason, 51, a veteran newspaperman as well as a radio commentator, was killed by a single bullet as he sat in his car in an industrial section of Alice.

In a broadcast the day before his death he had criticized Smithwick, saying that the deputy owned property on which an Alice night spot was situated and that loose women plied their trade there.
